Portfolio

B.Tech Artificial Intelligence & Data Science
Indian Institute of Information Technology Raichur

EDUCATION

- Indian Institute of Information Technology Raichur** 2024-2028
B.Tech in Artificial Intelligence & Data Science CGPA: 7.54/10
- Maharashtra State Board** 2023
Class XII 82.0%
- Maharashtra State Board** 2021
Class X 99.60%

PROJECTS

- Anti-Money Laundering (AML) Detection System** 
Machine Learning Based Financial Fraud Detection
 - Developed a machine learning system to identify suspicious financial transactions and potential money laundering activities.
 - Applied data preprocessing, feature engineering, classification and anomaly detection techniques.
 - Tools: Python, Pandas, Scikit-Learn, SQL.
- AI Resume Analyzer** 
NLP Based ATS Resume Evaluation System
 - Built an ATS-inspired resume analysis platform using NLP and Machine Learning.
 - Implemented resume scoring, keyword matching and skill extraction.
 - Tools: Python, NLP, Scikit-Learn, MySQL, Streamlit.
- AI-Based Smart Traffic Management System** 
Intelligent Traffic Optimization
 - Designed an intelligent traffic management system using traffic density analysis and adaptive signal control.
 - Developed traffic congestion prediction logic to optimize signal timings and reduce waiting time.
 - Tools: Python, Machine Learning.
- Snake Species Identification Using Deep Learning** 
Computer Vision Classification Project
 - Developed a computer vision pipeline for snake species classification using OpenCV.
 - Trained CNN-based models on a dataset of 53,844+ images spanning 80 snake species.
 - Tools: Python, TensorFlow, OpenCV, CNN.

TECHNICAL SKILLS

Languages: Python, C, C++, SQL

Web: HTML, CSS, JavaScript

Libraries: NumPy, Pandas, Scikit-Learn, OpenCV

Tools: Git, GitHub, Jupyter, VS code, MySQL Workbench

Domains: Machine Learning, Deep Learning, Computer Vision, Data Analysis

RELEVANT COURSEWORK

DSA, DBMS, Operating Systems, OOP, Computer Architecture, Machine Learning, Data Mining, Probability Statistics, Linear Algebra

ACHIEVEMENTS & CERTIFICATIONS

- Centre Rank 1** Maharashtra Talent Search Examination (MTSE), Class VI
- State Rank 21** Maharashtra Talent Search Examination (MTSE)
- Government Scholarship Examination** Class VIII
- Coursera** Probability & Statistics for Machine Learning
